

You can help end poverty for future generations

Christians Against Poverty is passionate about working with local churches to release New Zealanders from debt & poverty – into a life filled with hope & freedom.

Once you have provided for your loved ones, a legacy gift to CAP can make a practical and eternal difference for New Zealand families trapped by poverty in your community.

To find out how you can leave a gift in your will and make a significant impact for future generations, call 09 973 0584 to talk with Esther Matayabas (CAP's Planned Giving Manager), or read the three easy steps on the back page.

How your gift will change lives

Every day, New Zealanders in need receive the life-transforming help and support of a CAP service. Just like you, we care about people beyond their day-to-day challenges.

Every single gift to CAP means that in the future there will be somewhere for people to turn to when debt, poverty or its causes overwhelms them. You can help create a New Zealand without poverty, and make a difference for eternity!

- Parents will be able to put food on the table for their children – and have a way out of unmanageable debt.
- People needing practical help will be supported by the love and community of their local church.
- All will encounter the love of God; many will find new life in Christ.

"We give regularly to CAP as we've been clients ourselves and have experienced first-hand the life-changing help and support that CAP has been to many people."

Lifting New Zealanders out of debt, poverty and its causes

Our vision is for every town and city to have a CAP service – so that anyone who needs help can find a life-saving solution, and the love of Jesus through the local church.

A gift in your Will is a way to bring this lasting hope and help to communities without a CAP service – and make a difference for generations of families.

"I gave myself to the Lord that day – the day that changed my life. The light that was dark once is so much brighter now. This is the love that I've been longing for! To every one of you that support CAP, thank you so much."
